

NORTH + AMERICA

THE NEED

Imagine missing school because you don't have a backpack or even a pair of shoes. For many children experiencing homelessness and poverty in America, they don't need to imagine. They are forced to skip school, unable to participate in sports and playground activities, and face health risks because of inadequate shoes, food, or school supplies.

WHAT CAN YOU DO TO HELP?

FOCUS will send us brand-new, high quality backpacks with a list of school supplies. **Fill a backpack with the supplies indicated on the list provided;** we will donate them to a FOCUS partner school in our area.
