

# Donation Luncheon

Sunday, August 12

*To benefit*  
**Ukrainian Orphans  
& Homeless Shelter**

**The children and directors of the orphanage thank you for your continuing support! Your gifts supported energy-efficient projects and other improvements, including a new playground.**

**The orphanage now houses 14 kids** (8 boys and 6 girls), ages 3 to 12.

Your donations will also assist a **foster house in Odessa, Ukraine** that has helped provide food and education for 9 teen refugees.

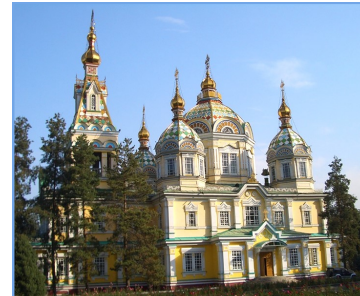

A big project is also being planned for a **homeless shelter that currently houses six (6) men**, 60+ years old, who were formerly homeless and alcohol addicts — **building a second house to foster more needful men**. The shelter has also recently benefitted from donations of shoes and clothing.

*A short slide show will be presented during coffee hour, to see all the projects in progress and meet every member of orphanage.*

***God bless you for your generosity!***
